# 2024 May Monthly Report

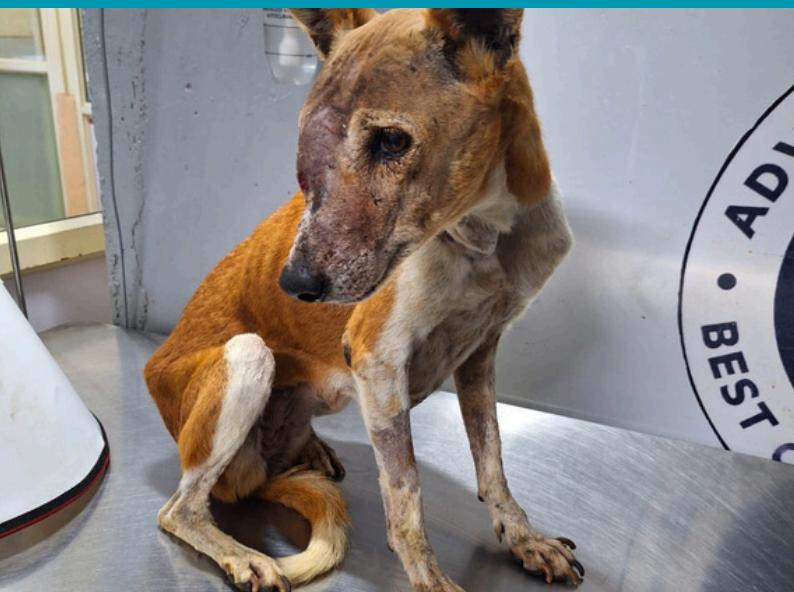

# MAY AT A GLANCE

The month of May was all about our beloved Daisy and her journey from being extremely ill to recovering strong after spending many nights at the hospital. Despite her old age, she fought through all the long and painful procedures and is now back to her familiar surroundings; living healthy! Our second miracle baby after Goldie :)

A BIG THANK YOU to each and everyone who contributed towards her recovery!

## EVENTS / OCCURRENCES:

1. Thanks to multiple efforts, we managed to find another caretaker for our loving home for dogs. We hope you all get a chance to meet Beeru!
2. We have now installed a few CCTV's around the dog kennels and towards the house to ensure safety of the dogs and caretakers
3. A lot of operational work around kennels, boundary fence as well as the roof has been worked on to keep everyone safe and well protected.

# CHALLENGES

## CSR FUNDING

We continue our outreach to schools, corporate organisations and individuals to unlock some funds that will help sustain our loving home for dogs and their needs

**PLEASE GET IN TOUCH WITH US SHOULD YOU HAVE FRIENDS OR FAMILY WORKING IN ORGANIZATIONS THAT CAN SUPPORT US THROUGH THEIR CSR INTIATIVES!**

# GOALS FOR JUNE 2024

**With the ever changing Bangalore weather, we continue to improve the conditions including leak proof walls and kennel protection from the outside**

**While we have 2 caretakers for now, our aim is to be able to keep a family there as it could be better for the long run**

**Continue to reach out to corporates and investors for CSR based funding to keep this loving home for dogs financially sustainable**

# CONCLUSION

**The month of May and many trips to the hospital with Daisy helped us reflect on our primary goal: to ensure good health of our dogs and the caretakers that look after them on a daily basis.**

**Many people say they want to help; fewer actually step up to do it. Thank you so much for being 'the few' who continue to contribute and support!**
